

ANUJ KUMAR

B.Tech AI & ML Student

📞 +91-9026975723 ✉ anujk938654@gmail.com [in linkedin](#) [Github](#) [portfolio](#)

Summary

I'm an AI/ML student who enjoys turning raw data into meaningful insights using Python, SQL, and Power BI. I also have an interest in web development, which helps me present projects and ideas through clean, responsive, and user-friendly interfaces. I enjoy learning new technologies and building practical solutions through hands-on projects.

Skills

Programming & Querying: SQL, Python, C

Web Development: HTML, CSS, JavaScript

Data Analysis: Data Cleaning, EDA, MS Excel, Power BI

Tools: Git, GitHub, VS Code

Soft Skills: Analytical Thinking, Problem Solving

Projects

Portfolio Website | *HTML, CSS, JavaScript*

May 2026

- Designed and developed a fully responsive personal portfolio website.
- Showcased projects, skills, certifications, and contact information.
- Implemented interactive UI components and responsive layouts for an improved user experience.

Student Management System | *Python*

March 2026 – April 2026

- Developed a console-based application in Python for managing student records.
- Implemented features such as add, update, delete, and search operations.
- Applied object-oriented programming concepts to improve code structure and maintainability.

Sales Data Analysis | *Excel, Python, SQL*

January 2026 – February 2026

- Analyzed sales data to identify trends and generate business insights.
- Performed data cleaning and preprocessing using Excel and Python.
- Utilized SQL queries to extract and organize sales records.
- Created visualizations and summary reports for performance analysis.

Education

Goel Institute of Technology and Management, Lucknow

2023 – 2027

Bachelor of Technology (B.Tech) in Artificial Intelligence & Machine Learning

CGPA: 7.91/10

SSMIC Fatehpur Barabanki

2023

Class XII (UP Board)

78.4%

SSMIC Fatehpur Barabanki

2021

Class X (UP Board)

89.5%

Certifications

- Python Programming Certification – Infosys Springboard (In Progress)
- Introduction to Artificial Intelligence – Simplilearn
- Introduction to Cybersecurity – Cisco Networking Academy

Achievements

- Participated in technical workshops, seminars, and webinars related to Artificial Intelligence, Machine Learning, and Data Science.
- Continuously improving skills in Data Analytics, SQL, Excel, and Power BI through hands-on learning and practical projects.
